

Thank you very much for
looking after us so well during
our stay with you. Will look
at your web site to see the calf
grow. What wonderful weather
you have in Sweden! Hope
to be back again sometime.

Best wishes

Indeed... also Belgian people found their way to this quiet and peaceful place in Sweden. We enjoyed our stay a lot: the room & the house/garden are very pleasant to stay in, the surrounding is wonderful for hiking & nature experiences, the hospitality and friendliness of Stephanie is heart warming.

Galt's gave us energy to continue our trip and will be in our memory for many years to come!

Dear Stefanie & Nils

We've enjoyed staying in villa Vilan very much. You have a lovely, typically Swedish, house and an even more lovely sauna-complex.

Thank you for the nice breakfasts and dinner but most of all your warm welcome and hospitality.

Can't wait to see Sweden in summertime!

Greetings from Holland.

Your warm hospitality, delicious
breakfasts and comfortable beds
added to the beautiful, peaceful
countryside to make our stay
here perfect. We will recommend
Villa Vilan to anyone traveling
to Sweden.

Thank you!

Thanks for a wonderful stay
So many thoughtful touches
to make your guests feel
absolutely comfortable and welcome.
Our stay @ Villa Vison will be
remembered as one of the highlights
of our first trip (major) out
of the U.S. - Wonderful setting,
wonderful accommodations, great
breakfasts & delightful host.

That breakfast is in the top ten of all time, and we've had approx 28,000 breakfasts between us!

What a lovely spot to stop
and pat the pigs. A wonderful
breakfast and friendly reception.
